Work Hours

Saturday, September 25th. Need help with lunch set-up/serving/clean-up. Also, could use help setting up canopies early (0600-0700).

Work hours are available the Friday before our USPSA matches starting at 4PM. We need help on 9/17 & 10/15. No need to make a reservation, just show up with some gloves and clothes you don't mind getting dirty. And don't forget your work card!

The downspout on the southeast corner of the Clays/Pistol/Rifle Storage building is still down. And the building could use some paint.

We always need help with cutting the grass, especially when we are setting records for rainfall. Call Dave Buck @ 440-669-1904 to get checked out on a tractor and get access to the tractor barn.

If you see something that needs fixed or you see some jobs that you can do, send an email to information@crooked-creek.org to volunteer. A trustee will get back to you.

The next Work Party is Sunday, October 3rd starting at 9:00 AM.

Contact David Nofziger 440-392-4757 for more information or to volunteer to run the Trap & Skeet desk or the 5-Stand. There are lots of openings for 2021! It would really help Dave if we had Trap & Skeet desk volunteers every 2nd Sunday so that he can attend the entire Trustees meeting..

Range Safety Course: The range safety course, required for all members who wish to use the rifle and pistol ranges, are conducted on the 2nd Sunday of every month at 12:00 Noon. Members need attend only once. Upon completion of this course, a green badge will be issued and then you may use the ranges.

Rifle Ranges—Steel Plates: Please do NOT shoot at the chains and bolts. A club member put \$60 in materials just for the 100 yard plates. He hung the new plates and chains on Saturday November 7th. When he returned on Sunday, November 8th, one of the plates was hanging by a single chain. If you continue to abuse the equipment, then no new equipment will be put up.
